GUARANTEE

We guarantee to replace, free of charge, any nursery stock purchased direct from us that dies before October 1st, after planting, providing that ordinary care is exercised in caring for same and dead stock reported to us before October 10th.

PLANTING

Forty Per Cent Additional for Planting

We greatly prefer to have our customers do their own planting, but where this cannot be done, we will have our experienced men do the planting for 40 per cent extra. Where black soil is needed, customers will kindly see that same is furnished.

AGENTS

We do not employ agents in Minneapolis or St. Paul. Customer will find our prices 35 to 50 per cent lower than firms employing agents.

PLANTING SEASON

Spring, generally April 1st to May 10th. Fall, October 1st to November 1st. If customers will kindly place their orders as early as possible, it will greatly aid us in making prompt deliveries, when the proper time for deliveries arrives. Twin City orders delivered free, providing they amount to \$2.00 or more; otherwise a charge of 50 cents will be made to cover cost of delivery.
